WEBB & GALLAS Consolidate Their 24MX Leader Plates!

19-02-2018

What a crazy event! The third round of the season, played out in **Malaga's Palacio de Deportes Carpena**, culminated in a great show for the 6,000 spectators in the stadium. The Prestige class win was fought until the very last chequered flag.

The three Prestige Finals were hailed as the most intense and wildest ever seen in SuperEnduro. At the end of the night, **Cody WEBB (USA - KTM)** left with two points over **Jonny WALKER (GB - KTM)** and five on **Billy BOLT (GB - Husqvarna)**.

The Californian benefitted from the DNF of **Taddy BLAZUSIAK (PL - KTM)** in the second race, and this allowed him to consolidate his position at the top of the Championship, and hold on to the **24MX** Leader's Plate!

For now he has a 24 point advantage on **BLAZUSIAK**, and 31 on **BOLT**. But with two more rounds and 6 finals still to come, nothing is guaranteed yet!

In the Junior class **Kevin GALLAS (D - Husqvarna)** had a quieter and more straight forward evening than **WEBB**, dominating the three races. The German also took the advantage over his nearest rival, **Kyle FLANAGAN (RSA - Yamaha)**, to keep his **24MX** Leader Plate and pull a big gap at the top of the table. In fact, **GALLAS** relegated the South African to more than 37 points behind.

After a good Spanish GP, Poland's **Emil JUSZCZAK (KTM - 2/2/2)** climbed to third place in the provisional rankings, just 4 points behind **FLANAGAN**.

This first ever Grand Prix in Malaga offered three of the most intense races in SuperEnduro history. But all the madness failed to phase **Cody WEBB**, who kept his **24MX** Leader Plate and improved the gap on his rivals who include **BLAZUSIAK**, **BOLT**, **HAAKER** and **WALKER**.

See you next time at **Bizkaia Arena** in **Bilbao** in less than two weeks, on March 3rd, for the 4th round of the season which is sure to be extremely tense and exciting...
